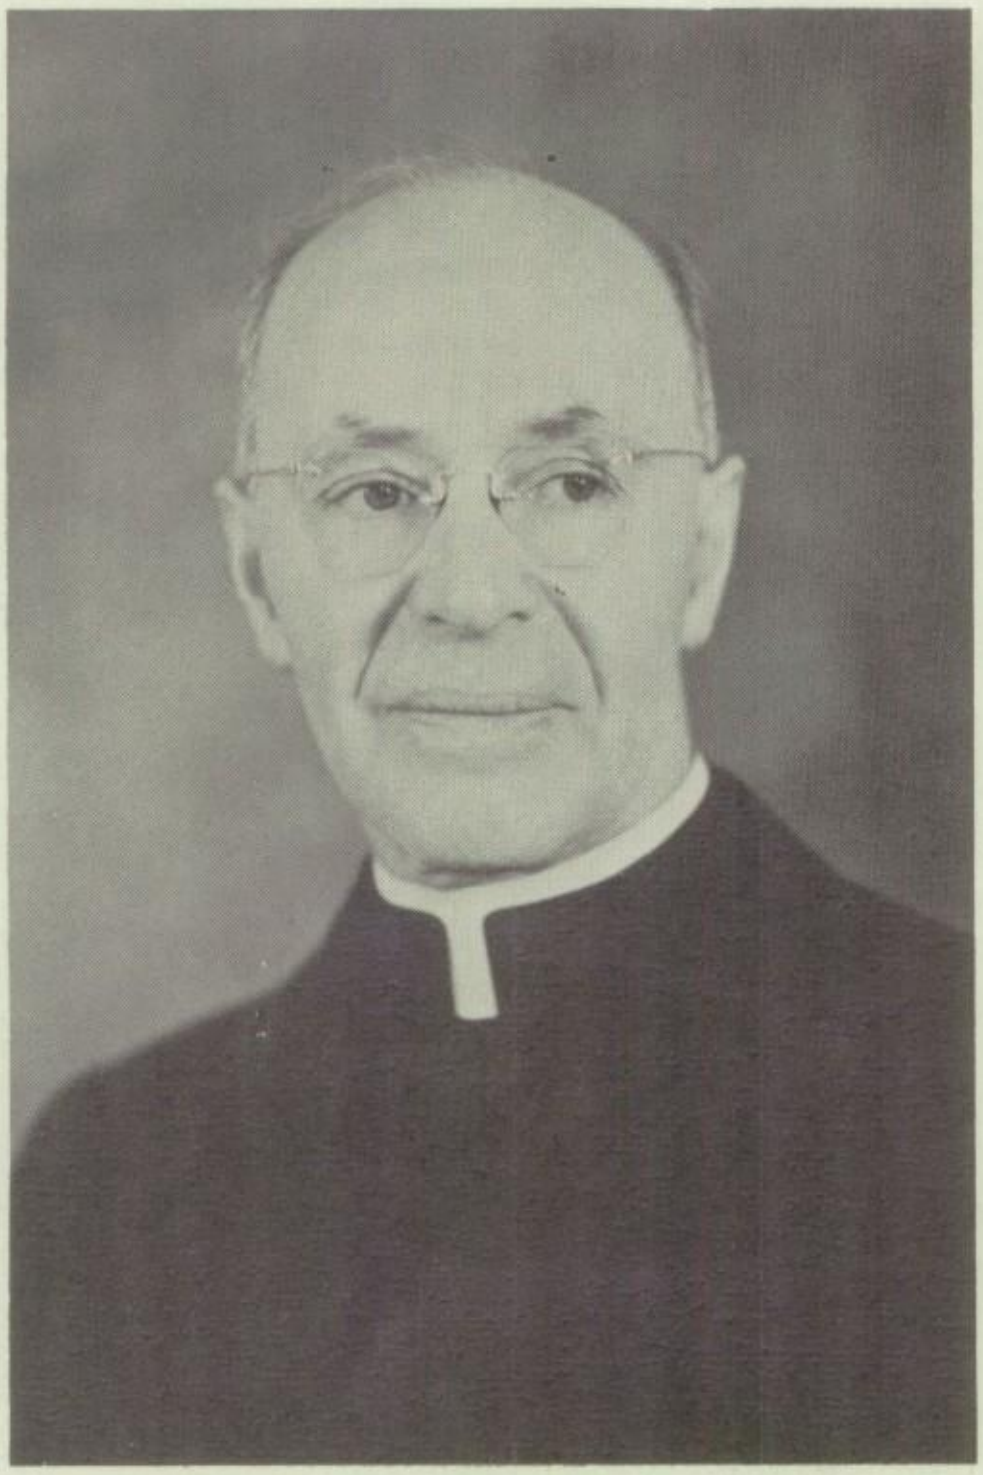
DEDICATION



REVEREND FATHER JAMES GAZELEY

The Senior Class of 1947 wishes to dedicate this issue of the Black and Gold to the Reverend Father James Gazeley, who recently moved to Schuylerville after having been Pastor of St. Peter's and Paul's Church for the past thirteen years.

Father Gazeley has left behind him a vast multitude of friends and admirers, to whom he has given spiritual guidance and help. His work, his inspiration, his faith, and advice will long be remembered and felt by the entire community.

DEDICATION

MR. BARTLETT ARKELL

In Memoriam

The Senior Class of 1947 wished to dedicate this issue of the Black and Gold, to the late Bartlett Arkell, nationally prominent industrialist, and philanthropist.

Mr. Arkell was one of the founders of the Beech-Nut Packing Company and generously contributed to the development of the educational and cultural attributes of the village of Canajoharie.

The people of Canajoharie have lost a good kindly neighbor and a patron of their civic interests. His memory will always be an inspiration to those who knew him well.

"BEST FOOT FORWARD"

Yes, it actually happened! The Class of '47 presented its annual Senior Play and to the surprise of all, our "Best Foot Forward" proved to be a great success.

With the hubbub of "trying out" over and Shirley Ruby and Barton Leneker chosen for the leading roles of Gale Joy, the popular young movie actress, and Bud Hooper, Winsocki boy who discovered he couldn't be two people at one time, the play was underway. Practice, practice, and more practice! True, we all thought Mrs. Smith would collapse under the strain of trying to teach us all those little important fundamentals of drama, but she finally succeeded and on Tuesday, November 26, we made our debut.

We wish to take this opportunity to say once again, "Thanks everybody." And a special thanks to Mrs. Smith, Mr. and Mrs. Lipowicz and Miss Bernice Brown.

The story in itself is a very simple one. The boys at Wissocki Prep are making frenzied preparations to receive the girls who are coming up for the annual dance. In the midst of the crackling lines and humorous discussion of dates comes Bud Hooper, who is plenty gloomy. His roommates finally find out the trouble. A month ago when they went to see a movie starring Gale Joy — the wham girl — the trouble started. Bud got carried away and he wrote the movie star, asked her to come to the prom. And she accepts! (They don't know how she needs a publicity break) Bud has hastily written his regular date, Helen, that he has had an attack of the grippe and expects to have it until after the dance. But, so that the faculty won't get angry, Bud tries to take the publicity-needing Gale Joy to the dance as his girl Helen - and then Helen arrives. Bud gets deeper and deeper into trouble, and the final happy solution that saves Bud will be known when the Senior play is given in the high school auditorium on November 25 and 26, 1946.

BIOLOGY CLUB BECOMES "HOMO SAPIENS CLUB"

The Biology Club met for the second and third time, choosing the new and rather different name of Homo Sapiens. Of course, you all know what that means - wise men - you know, like we have at C. C. S.

On October 4, Mr. Ossant met with the club and gave a short interesting talk on the relationship between agriculture and other sciences. Later the constitution was read and accepted.

After the meeting the club members went for a short trip around the school grounds, observing many of the common weeds and trees, while Prof. Ayres explained their various characteristics.

It's The Truth — Honest to Ghosts

Ireland has a story about the origin of the Jack-o-Lanterns carried on Hallowe'en. It seems that a stingy man named Jack was barred from Heaven because of his penuriousness and forbidden to enter Hell because of his practical jokes on the devil so he was condemed to walk the earth with his lantern until judgement day.

I'd like to leave you with this little gem I know the boys will appreciate: "Ghosts, like ladies never speak till spoken to." I did so read it! It's the truth!

Fire Department Sponsors Contest

The Canajoharie Fire Department is sponsoring a soap drawing contest to be held during Hallowe'en week. Grade, Junior High, and Senior High school students are invited to enter this contest. Prizes of $5, $3, $2 and two prizes of $1 will be given to winners of both age groups. Windows were assigned to each contestant and drawings are coming along very well.

Seniors Hold Raffle

Since last year's Juniors have become this years Seniors, the Senior treasury is almost to rock bottom. To give it a boost and to raise class morale, it was decided to hold a raffle. A very large box of "hard to get" commodities goes to the winner. This box of groceries contains such things as butter, heavy cream, soap flakes, bars of soap, and home canned fruit. The drawing will take place October 30.

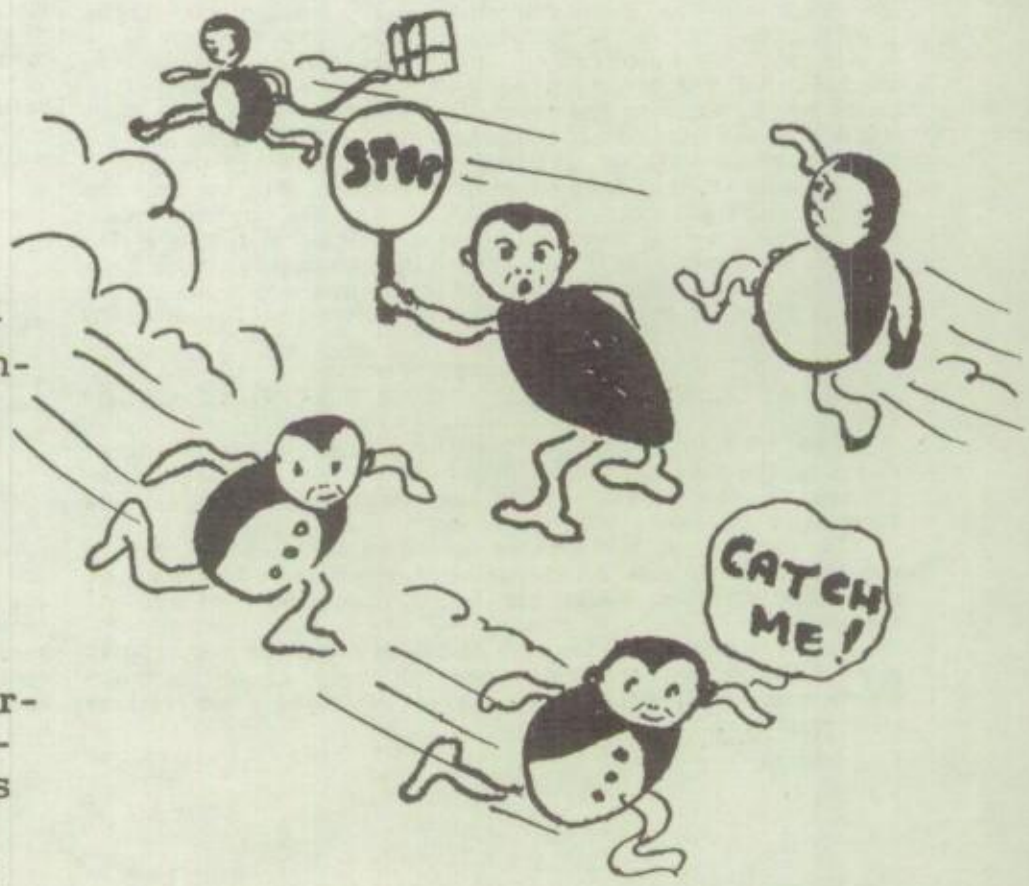
CORRIDOR CLUB

OFFICERS

President . . . . . David Steffenhagen

Secretary . . . . . Dorothy DeAngelis

With the whole-hearted support of its twenty-two members, the Corridor Club has performed an excellent service to the school in helping to maintain an efficient traffic system in the school corridors. The Student Council selected the members of the Corridor Club, who were required to have an average above 85 percent, be responsible and loyal in order to fulfill the duties to which they had been pledged. One of the main problems of the Corridor Club is to fix upon the minds of the student body that they should conduct themselves orderly and quietly through the corridors, to be on time to class and to help in impressing upon them all, the necessity of good discipline and cooperation.



BUILDING AND GROUNDS CLUB

OFFICERS

President . . . . . Theron Bellinger
Vice President . . . . . Beverly Williams
Treasurer. . . . . Beverly Dievendorf
Advisor. . . . . Mr. Rawe

The Building & Grounds Club has taken up such duties as keeping the grounds around the school building cleared of papers, and to keep things out of the way that some one might get hurt on. Inside the building we maintain what you might call an inspection squad to keep the unnecessary distribution of papers on the floor. In the future we hope to have the rest of the students co-operating with us, in keeping the school clean and presentable to the visiting towns people and out of town guests. The Club is in deep earnest about their duties and wish to, by concentrated effort, gain their ultimate goals to which they have pledged themselves.

1st row: Jones, Abeling, Williams B., Bellinger, Dievendorf B., Frasier. 2nd row: Hooker, Ellerbee, Dievendorf M., Williams E., Brunell, Lighthall, Miller V., Palmer, Kane. 3rd row: Smith, Dygert, Oeser, Countryman, Holtz, Carpenter, Loring.

K. E. Society has had a very successful year under the leadership of President Shirley Ruby. At the annual K. E. State Convention held in Syracuse during the Thanksgiving vacation, six members from the chapter attended. This was an experience which shall always be remembered by these girls. Some various money-making activities have included a bake sale, rummage sale, grocery raffle and lamb cake raffle. In aiding the community the girls gave a basket of groceries and a number of presents to a needy family for Christmas. They, too, acted as hostesses at an open house held in the Youth Center, January 25th.

Vice President . . . . . .Thomas Mowrey

Secretary . . . . . .Richard Miller

The Sigma Delta Phi fraternity was originally known as the Four Square Club. This fraternity was newly organized in 1939, the aim of the organization being to develop the individual, through physical, spiritual, and social ways, in other words having a good time. We have lived up to and are fulfilling the fine examples set for us by our predecessors in this great organization. This year we have conducted many social gatherings. We hold a meeting once a week at one of our brothers' homes andwhile there carry out our ritual. At quite a number of our meetings we are honored by returning members who have left us to join the ranks of young men in the armed services, and colleges. Their experiences add greatly to our broadening scope of social relations.

Seated: Scholtzhauer, Christman, Mrs. Bush, Findling. Standing: Loring, Jewell, Granger, Smith, Ferguson, McEwan, Patten, Bailey.

LIBRARY CLUB

OFFICERS

President . . . . . Lavina Christman
Vice President . . . . . Jackson Findling
Treasurer. . . . . Charlotte Jewell

This club, which is one of the many organizations of Canajoharie Central School, meets every other Thursday. The purpose of this club is to learn more about library work and books. They contribute to the welfare of the school by doing routine work in the library one period a week. This club, under the supervision of Mrs. Bush, has various and appropriate displays throughout the year.

FUTURE FARMERS

OFFICERS

President . . . . . George Van Schaick
Vice President. . . . . Richard Trumble
Secretary. . . . . Miles Frasier
Treasurer. . . . . Barton Leneker
Reporter. . . . . Richard Van Schaick
Sentinel . . . . . Silas Bowerman
Advisor . . . . . Willard Ossont

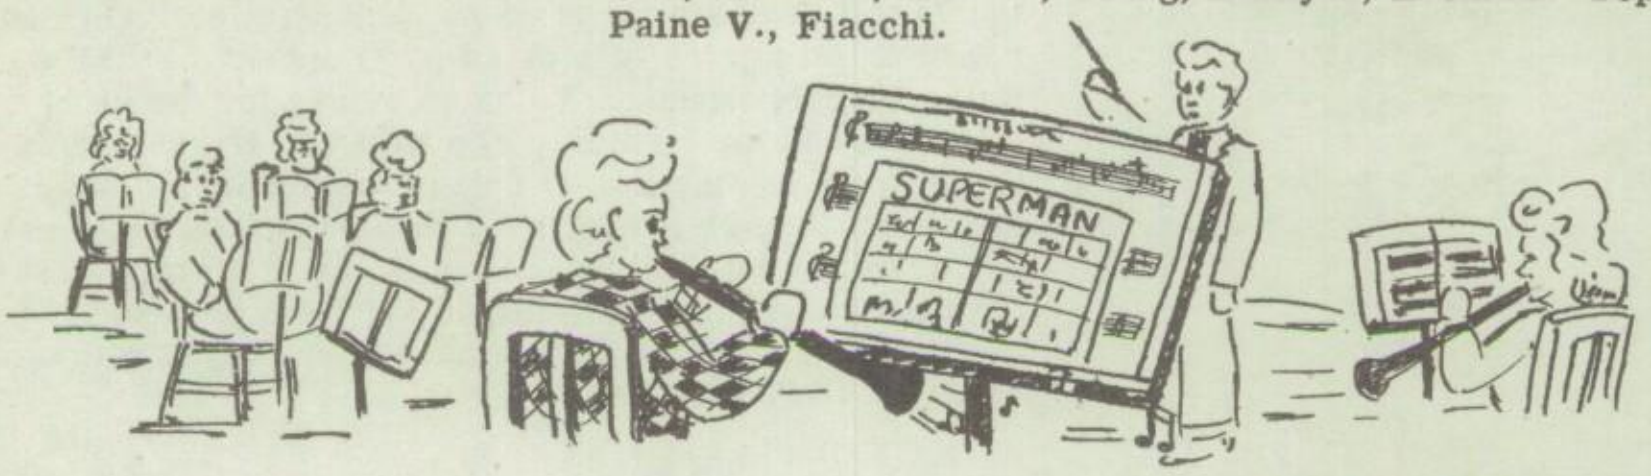
This year the F. F. A. accepted into the club nine new members, giving a total membership of 24. We have participated at Morrisville judging contest, at Morrisville State Agriculture School, and the Achievement Day contest at Cherry Valley. Three officers attended the leadership training program at West Winfield. On February 4, the Agriculture class participated in the Farm Home Hour broadcast. To raise money for the club, we planted trees for farmers, who wish to reforest waste-land. We also plan to test soil in the spring for near-by farmers. We are testing over three-hundred dairy cattle for butter fat, and have entered the state milk-testing contest. Evening meetings have been held each month, and basketball games have been played with other agriculture departments.

Seated: Bowerman, Leneker, Frasier M., Van Schaick G., Trumble, Van Schaick R. 2nd row: Mr. Ossont, Hernigle, Dygert, Smith, Hawver, Jump, Fredericks, Ostrander, Buddles, Gray, Miller M. 3rd Row: Miller, L., Fralick, Frasier D., Folmsbee, Reynolds, Lambert, Collins.

BAND

The band under the capable leadership of Mr. James E. Williams is composed this year of 35 members. It has furnished music for all the home basketball games and made a trip to W.G.Y. Schenectady in the fall. Their participation in assemblies and pep rallies has lent much spirit to these occasions. In early spring the organization presented a concert which included selections from marches, to more intricate overtures. From the results noted so far we feel certain that Canajoharie Central School boasts of an excellent band in the near future.

Front row seated: Curnin, Bowerman, Fusmer, Williams, Keller, Pulver, Lighthall M., Paine, Winchell, Conlin, St. John, Hawver. 2nd row: Downes, Lockyer, McIntyre, Folmsbee, Miller F., Miller, Robt. Miller, Lowe, Empie, Krutz, Miller V., Mr. Williams, Lighthall D. 3rd row: Grant, Brown, James, Allen, Luft, Paine B., Weaver, Young, Lockyer, Leonard. Top row: Paine V., Fiacchi.



ORCHESTRA

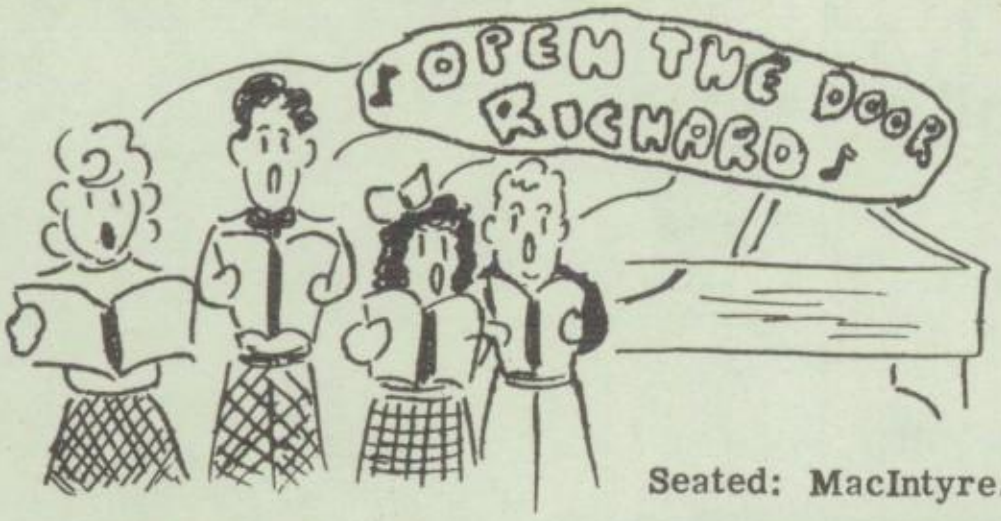
Seated: Dygert, Jennings D., Loew, Hodge, Scott, Chiuminato, Tooker, Jennings L., Mrs. Stoughton. 2nd row: Paine V., MacIntyre, Grant, Miller R., James. 3rd row: Pulver, Keller, Curnin.

Under the able leadership of Mr. Stoughton the Canajoharie Central School orchestra has had another successful year. With more time being devoted into a well-knit musical organization. During the school year, the orchestra played for the weekly assemblies, the Senior play, the operetta, May festival, and the graduation exercises. Several individual members of the orchestra participated in the concert at Ballston Spa held there during the fall.

GLEE CLUB

During the past year with almost a complete turnover in membership, the Glee Club has nevertheless proved a great success. Under the leadership of Mrs. Stoughton, the girls plan to sponsor a successful Spring Festival as previous years. The new members though inexperienced are doing their best to maintain the standards which have been set by the Glee Club in former years.

1st row: Paine, Leonard, Eaker, Vosburgh, Thompson, Mrs. Stoughton, Dopp, Lenz, Mallett, Fettinger, Marcellino. 2nd row: Lockyer, Sprung, Miller M., Davis, Roberts, Bullock, Taormina, Fleming, Rutishauser, Loop, Winchell. 3rd row: Scott, Frank, Gotti, Fiacchi, Ferraro M., Atkins, Christman, Dievendorf, Rose, Williams, Skandera, Holtz, Mingst, Yacobucci. 4th row: Bellen, Ferraro L., Biltucci, Abeling, Vouga, Leonard J., Roberts, MacIntyre, Dittman, MacDuffee, Williams, Hambrecht, St. John.



Seated: MacIntyre. Standing: Sitts, Paine, Eaker, Atkins.

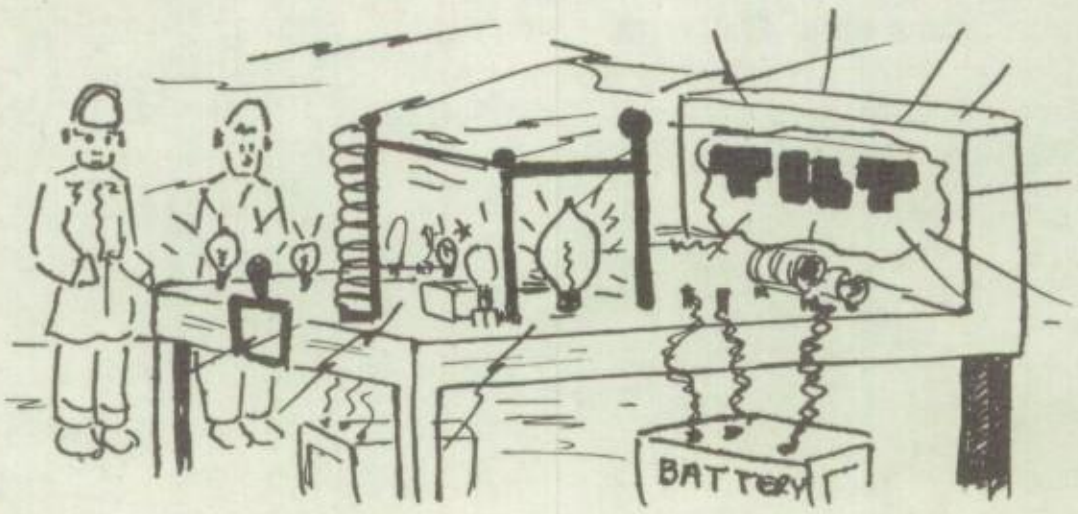
QUARTET

A mixed quartet composed of Natalie Eaker, Virginia Paine, Richard Sitts, James Atkins, and Joan MacIntyre as piano accompanist, has gained new laurels for the Music department of Canajoharie High School. The patient work of Mrs. Stoughton has welded this group into a fine harmonious singing ensemble which has been received enthusiastically by the student body.

1st row: Biltucci, Aisdorf, Barshied, Bellinger, Hernigle, Mr. Ayres. 2nd row: Findling, Dittman, Lockyer, Olmsted, Dievendorf, Atkins, McEwan, Fettinger. 3rd row: Leonard, Bullock, Thompson, Lenz, Pitcher.

HOMO SAPIENS CLUB

The Homo Sapiens Club has tried to create an interest in Biological affairs. It has toured the Beech-Nut Laboratories. Also it has asked different teachers to explain how Biology is related to other courses. In the future it is hoped that we might go to Montgomery County Laboratory. Several members have projects with the microscope which will be followed out in the near future.



Seated: Miller, Samuels, Sitts, Lovestrand. Standing: Montanye, Keller, Schuyler.

PHYSICS CLUB

The Physics Club of Canajoharie Central School was established for the development of scientific thinking and observation among physics students in everyday problems. Under the patient and capable supervision of Mr. H. R. Brand, several individual projects covering the fields of radio, elementary nuclear physics, mechanics, thermics, and practical electricity were fostered. Emphasis was on fundamentals as a basis for specialization.

On January 17th, 1947 the Canajoharie Varsity Basketball team turned in a remarkable feat by defeating a valiant Fort Plain team for the first time in the last decade by a close score of 30-28. Although the rest of the season wasn't as successful that victory over their long traditional rivals made the practice and effort put into the game worthwhile.

The team was beset by injuries and illness all season long and never did seem to be at full strength for any of its games.

Although the team will lose such players as Bob Fusmer, high scoring center and Dick Sitts, the local playmaker, they will have as a nucleus such youngsters as Wayne Brown, Bill Schaffer, Don Grant, Bill Brust and Mike Harhay who have made the varsity in their first year of basketball competition.

We look forward to next year when the tables hoped to be turned around.

JUNIOR VARSITY BASKETBALL

Coach	James Atkins

The Canajoharie Junior Varsity basketball team has been this year, the beginning of several members of the varsity team. Such players as Don Grant, Mark Harhay and Bill Brust showed so well in J. V. competition, that they were promoted to the Varsity team.

The J. V. has traded baskets as well as bumps with other J. V. opponents and has been fairly successful in about fifty percent of its games. They, like the varsity, also defeated Fort Plain by a score of 25-21, on January 10th to make it a glorious evening for the basketball teams of Canajoharie.

Although the C. H. S. Nine did not have an entirely successful season, they can boast of ten wins against seven losses. The loss of such key men as Mancini, Ianniello, Wiers, and Shimer who composed the hitting power, and the Crowe, Pimkowski battery, will result in the building of a team of younger players around the pitching of Bob Fusmer and Jim Atkins for the coming season.

SOCCER

C. H. S. again undertook soccer, but did not participate in league conpetition. Although we did not enjoy a very successful season, mugh was gained in the form of conditioning for basketball season, and experience for the nucelus of next year's team.

This year, like others, basketball was the favorite sport among the girls. A Girls' Varsity was formed showing great ability and winning several victories over neighboring towns. On February 15, the girls played hostess to several out of town teams for the annual Basketball Play Day.

SOFTBALL

C.C.S. can take great pride in its softball team who had a very successful year. The team attended a playday held at Dolgeville.
